

Team Rural Water

NOTE: This is a Review Session!

Please study prior to attending and come with questions. There is not enough time in 2 days to cover all required material to pass the exam!!

We will do everything we can to help you prepare for the exam, but you have to study ahead of time so that you know where you need help and can ask questions.

Study hard and see you at the review session!!!

If you have any questions, contact:

Kevin Durocher
Training Specialist
Montana Rural Water Systems, Inc.

* MRWS will be utilizing MTDEQ's new Operator Certification Training Curriculum for this session, so training times may vary from those listed in the agenda.

Wastewater Review Session

NOTE: Wastewater training will only be covered if we get enough interest. Those operators interested in a Wastewater Review Session should contact Dan Kramer by phone @ 406-253-1710 or e-mail at techman@ronan.net to let him know you would attend.

General Information

- ⇒ This Basic Operator Review Session is for all Classifications of Water Operators preparing to take the Exam but will have a primary focus on Class 3, 4, & 5 Operators. Surface Water Operators should contact Kevin for additional review training that is focused towards the Class 1 & 2 Exams..
- ⇒ [Bring all Study Guides, Books, and a Calculator to the Review Sessions.](#)
- ⇒ Training Sessions will be held at the MRWS Training Building, Located behind the main office at 925 7th Ave So, Great Falls, MT. 59405 (Call Kevin @ 406-788-3338 if you have any questions)
- ⇒ **Please E-Mail Kevin (kdurocher@3riversdbs.net) if you plan to attend. Include the system you work at and the exam you will be taking.** (This will let me know how many handouts to print & where to focus the training.)
- ⇒ Exam **will not** be given after this session. For information on when exams are administered or to make an appointment to take an exam, please contact:
